

7.5t Driver

Job description

Harvest

We have been trading since 1995 and have grown to be one of the largest Independent Food Service providers in the South of England.

With a broad clientele base covering restaurants, hotels, schools, and hospitals as well as many other sectors we are renowned for offering first-class service levels to our customers. Our product range is extensive and includes high-quality butchery, chilled, frozen, ambient, and fresh food as well as a range of non-food sundries and beverages.

We invite you to our website: www.harvestfinefoods.co.uk to get to know all things Harvest
